## Choices for Care - Case Management, Respite & Companion Services Variance Request Form

- ➤ <u>Instructions</u>: <u>Case</u> Management services have a maximum allowed number of <u>hours per calendar year</u>. <u>Companion and Respite Care</u> has a maximum service <u>budget per calendar year</u>.
- o Complete this form for **individuals** who require additional Case Management hours or an increase in service budget for Companion and Respite Care <u>and</u> meet the variance criteria.
- o A new Service Plan is <u>not</u> required. *See additional instructions on back.*
- ➤ <u>Variance Criteria</u>: A variance will only be approved in situations in which the <u>additional services</u> are necessary to <u>protect or maintain the health, safety or welfare of the individual</u>. (See CFC Regulations, Section XI.)
- Retroactive Requests: Approved variances are effective no earlier than the date the request was received at DAIL/Adult Services Division. Retroactive requests will be considered only when a precipitating event necessitated an immediate increase of services exceeding the currently approved volume of services. The immediate increase must be necessary to prevent harm to the individual, a hospitalization or nursing facility placement.

NOTE: Prior to approval, DAIL may request additional information including case notes as needed.
