Dear

Unfortunately, the referral for **PERSON** to the Vermont Money Follows the Person program has been declined because the individual has already transitioned to the community. The relaxation of restrictions during the pandemic has been removed and the Centers for Medicare and Medicaid Services require that individuals be referred to the Money Follows the Person Program prior to discharging to the community.

In extreme extenuating circumstances, exceptions may be approved if the individual is referred within 14 days of transitioning to the community from a skilled nursing or acute care setting.

If you have questions, please contact Money Follows the Person at 802 241-0289 or the AHS.DAILMFP@vermont.gov email address.

Best wishes,

The MFP Team.
