

SECTION VI. Assessment Tools

An assessment is defined as a compressive, professional evaluation of an individual's circumstances, including but not limited to health, functional, social and financial needs.

A. Independent living Assessment (ILA)

The intake section of the ILA is utilized for individuals applying for and receiving Moderate Needs services. The Case Manager, though which the individual is applying, is responsible for initiating and overseeing the completion of the ILA intake. The ILA shall be shared with other Moderate Needs providers in order to be efficient and reduce duplication of effort.

***NOTE:** A "Permission For Release of Information" must be completed and accompany the ILA.*
