Dear Governor Scott:

It is my pleasure to inform you that Vermont's State Plan on Aging under the Older Americans Act, for the period beginning October 1, 2018 through September 30, 2022, is approved.

The State Plan outlines a number of activities that will serve as a guide for Vermont's aging services network during the next four years. Of particular note are the State's efforts in obtaining population and service utilization projections and in conducting a statewide needs assessment in preparation for the development of the State Plan.

The New England Regional Office staff of the U.S. Administration for Community Living and I look forward to working with you and Vermont's Department of Disabilities, Aging and Independent Living on the implementation of the State Plan. If you have questions or concerns, you may contact Kathleen Otte at 212-264-5767.

I appreciate your dedication and commitment toward improving the lives of older persons living in Vermont.

Sincerely,

A handwritten signature in black ink that reads "Lance Robertson".
