

## VT Choices for Care 804 Form Process

This document is intended to provide you with instructions for reporting changes in care settings/services for individuals who are **pending** Long Term Care (LTC) Medicaid eligibility or have LTC Medicaid in place. *The instructions will indicate **which** 804 form must be completed, **who** completes the form, **how** it must be completed and **where** it needs to be submitted.*

**It is the responsibility of the admitting provider of service** to submit the appropriate 804 form. The 804 forms are what notifies the Department of Disabilities, Aging and Independent Living (DAIL) and the Department of VT Health Access (DVHA) that the provider of services will start providing services, if there is a change in the service or a termination of services.

**If the appropriate 804 form is not submitted to the correct agency promptly, this will affect the payment to the provider of services. See table below for information on how to find the forms, and where to submit each form.**
